Dear Neighbour

## Tilbury2

### Continuous Flight Auger Piling Works

Following on from my letter in March introducing the beginning of our work at Tilbury2, I am writing to advise that we will be starting Continuous Flight Auger (CFA) piling works for the new Fort Road Bridge on Monday 29 April through to 31 May.

During this period, we will install 110 piles to support the new bridge structure. We will ensure that noise is kept to a minimum. Works will be carried out between 8am and 6pm Monday to Friday, as approved by the construction management plan.

The port expansion is being carried out to meet rising demand in construction materials and aggregates for the UK's building sector, imported and exported cars as well as an increase in ferry traffic carrying consumer goods, perishables (food and drink) and steel between Europe and the UK.

#### What is CFA?

CFA piling is the use of a large drill bit (similar to a corkscrew) driven into the ground via a CFA Rig. Continuous CFA piles are suitable for most soil conditions and construction projects. CFA Piling is the best and most effective solution when piling close to existing buildings or in built-up areas, because this approach is virtually vibration free and has low noise levels.

#### Considerate Constructors Scheme

GRAHAM is a Partner Member of the Considerate Constructors Scheme, a scheme that aims to improve the image of construction by following a Code of Considerate Practice, which covers for example, site safety and the impact of work on the local community. You can find more information at [www.ccscheme.org.uk](http://www.ccscheme.org.uk)

You can contact our Project Team directly at [tilbury2@graham.co.uk](mailto:tilbury2@graham.co.uk) if you have any questions in relation to this letter or for more general information about the project visit [www.tilbury2.co.uk](http://www.tilbury2.co.uk).

Thank you for your understanding.

Yours faithfully

Tommy Craven  
Contracts Manager  
GRAHAM

GRAHAM is a trading style of the GRAHAM Group.

The GRAHAM Group comprises the following companies: John Graham Holdings Limited (Registered Number NI 57921); John Graham Construction Limited (Registered Number NI 3503); Graham Investment Projects Limited (Registered Number NI 71467); Graham Asset Management Limited (Registered Number: NI 71100).
